# Bike Gates

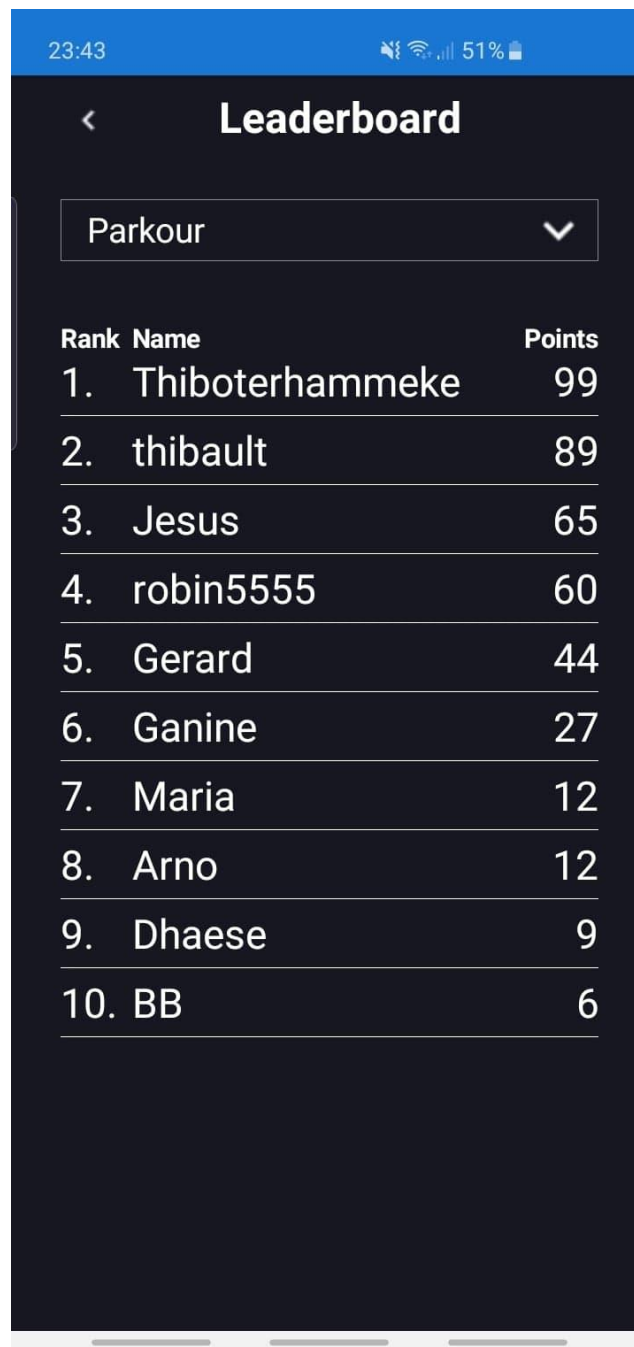

Manual – Claey's Robin, D'Haese Thibault & Walraeve Laurens

Welcome to BikeGates, this our main screen. To start, press the play button. This will send you to the screen where you can choose which gamemode you want to play.

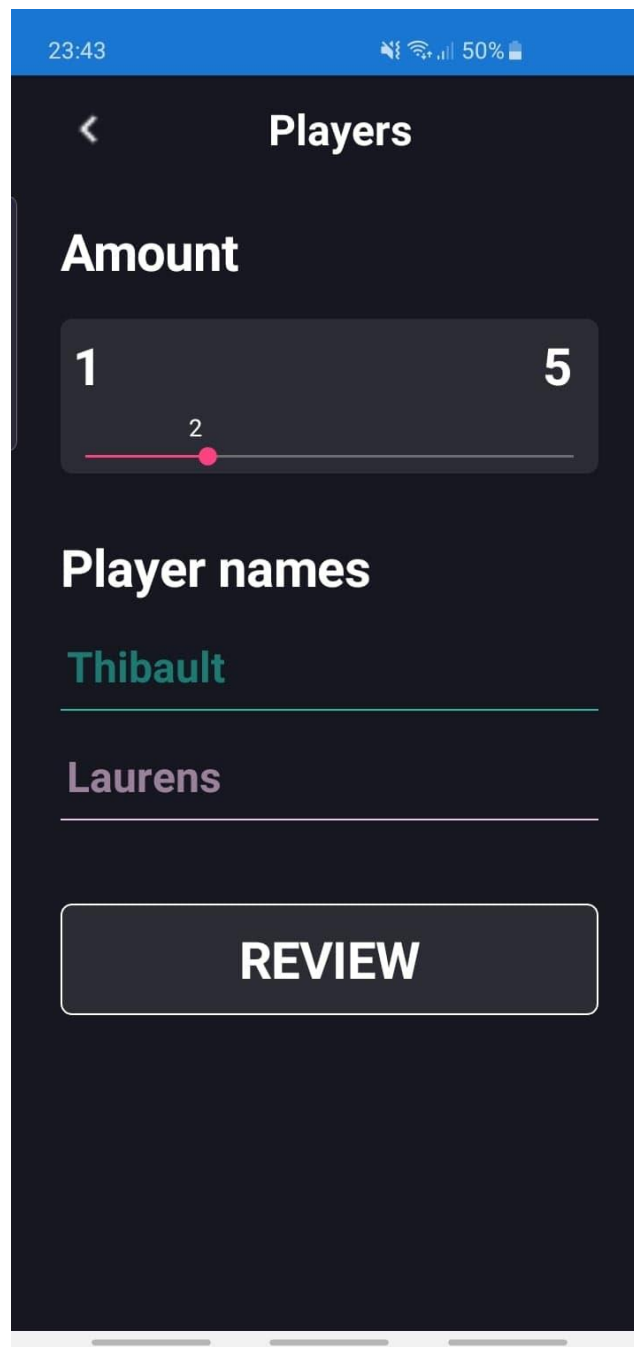

If you have chosen parkour. You get 2 minutes to score as many points as possible. If you drive through a green gate you get 3 points. If you drive through an orange gate you get 2 points and if you drive through a red gate you get 0 points. The other option was time race. You have to finish the parkour as fast as possible. If the participant puts his foot on the ground, the moderator can give 5s penalty points.

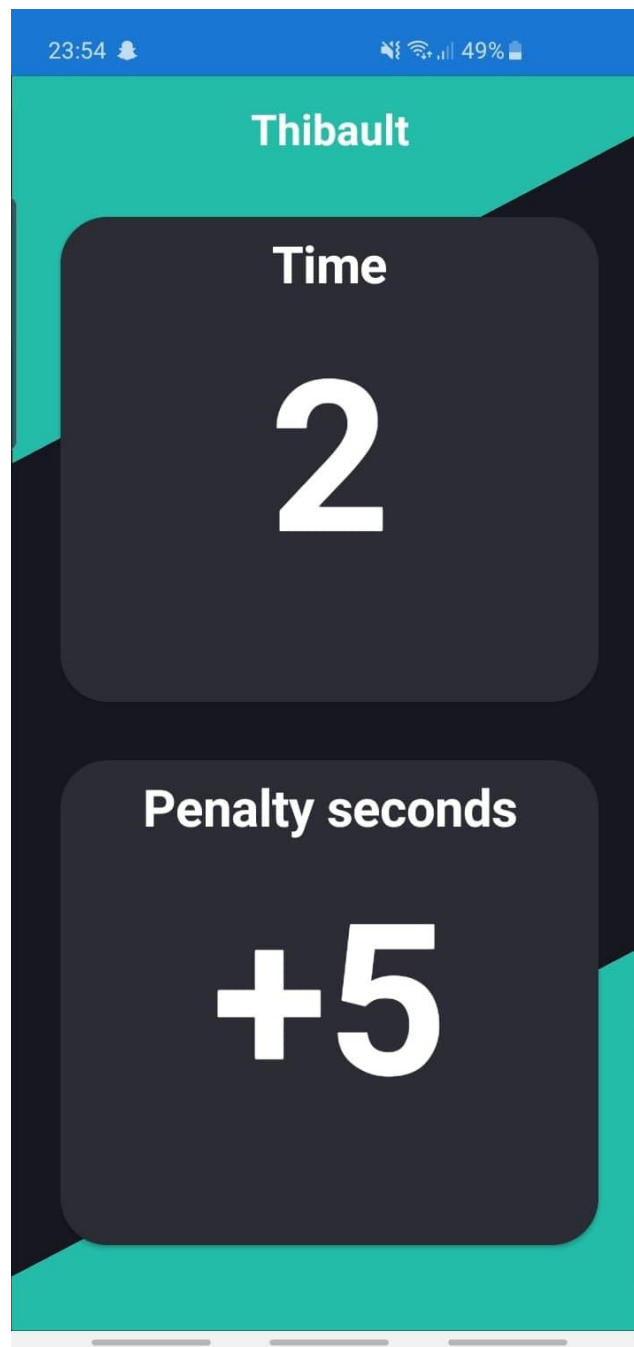

| Rank | Name            | Points |

On the home screen you can also choose to go to the leaderboard. There you can use a picker to choose one of the two gamemodes you want to filter on. These leaderboards always show the top 10 of always.

After you have chosen one of the two gamemodes you choose the number of players with the help of the slider. Then you can choose a nice name for each participant.

When playing time race there is an option to add penalty points when a player touches the ground with his feet. The moderator will have to press +5 button.
